Course Objectives

The goal of the conference is to inform attendees about current major issues in forensic mental health and afford them opportunities to refresh skills in the fundamentals of the discipline, engage in discussion with peers on the standards governing the profession, and update their present knowledge. At the end of the conference attendees will be able to:
1. Describe and implement enhanced consultative strategies at the interface of psychiatry and the legal profession.
2. Apply improved techniques of examination, testing, teaching and communication in forensic settings – both in their own work settings and in their supervision of residents, students and allied health professionals.
3. Discuss the impact of the legislative and political landscape on the practice of forensic psychiatry

Accreditation Statement

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of Southern Illinois University School of Medicine and the Midwest Chapter of the American Academy of Psychiatry and the Law. The Southern Illinois University School of Medicine is accredited by the ACCME to provide continuing medical education for physicians

Credit

The Southern Illinois University School of Medicine designates this live activity for a maximum of 11.0 AMA PRA Category 1 Credit(s)™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

SIU School of Medicine is a licensed provider for continuing education for clinical psychologists (license #268-000008). This program offers a maximum of 11.0 CE hours.

34th Annual Spring Meeting
