

Do you have a current case for which 3D printing would be essential for understanding anatomy or facilitating surgical treatment?

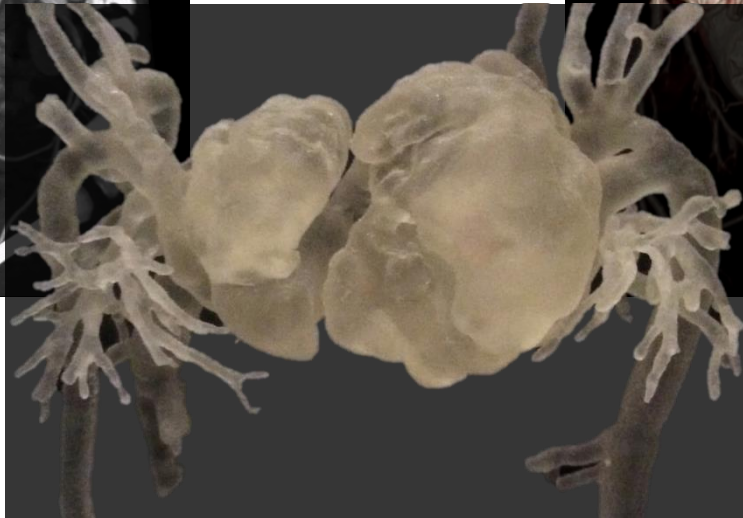

**Contribute a case for expert review during the 2018 SPR Annual Meeting**

You could receive a free 3D print **NOW** which will support care of your patient, and your case, along with the 3D print model will then be presented during the

## 3D Read With the Experts

Session

Wednesday  
May 16, 2018  
12:00 – 1:30

**Any recon or processing type – MRI, CT, US – any modality will be considered...  
turn-around time for producing a 3D print of your case is 1-2 weeks.**

- Cases **must** be de-identified to be HIPAA compliant
- **Submit your cases in DICOM & stereolithography (stl) file formats**
- Cases may be uploaded via Nuance Power-share or sent via FLASH media
- Please include 1-2 sentences of clinical history and imaging protocol notes

**All cases due no later than March 1<sup>st</sup>.**
