42nd Annual Symposium on Obstetrics & Gynecology

Thursday & Friday
September 29-30, 2016

Eric P. Newman Education Center
Washington University Medical Center, St. Louis

Course Chair
Randall R. Odem, M.D.

Presented By
The Department of Obstetrics and Gynecology

Join us on October 1st for the CME program:
Fetal Cardiac Screening: A Practical Approach
For more information, visit http://cme.wustl.edu

CME Provided By
Washington University School of Medicine in St. Louis
Continuing Medical Education
This course is designed for practicing obstetrical and gynecologic (OB/GYN) physicians, primary care physicians, as well as physicians in training, nurse practitioners, nurses and allied health professionals working within the area of OB/GYN. After completion of this seminar the participant should be able to:

- Describe current approaches to management of the transgender patient.
- Discuss current methods for the use of immediate postpartum contraception.
- Discuss issues related to the Zika virus and reproduction.
- Relate surgical considerations of the morbidly obese patient.
- Recognize the many issues tied to the IVF laboratory including oocyte cryopreservation.
- Detail recent advances with minimally invasive surgery.
- Explain and appropriately counsel patients on the proper management of twin pregnancies, the infertility evaluation.
- Specify the current components of the well woman exam.
- Utilize evidence-based information to benefit the management of many primary care problems associated with pregnancy.
- Apply the use of vaginal hysterectomy appropriately.
- Accurately describe the best management for obstructive uterine anomalies.
- Discuss methods of cancer surveillance and survivorship care.
- Discuss and improve management of periviable preterm birth.
- Outline contraceptive counseling for the adolescent.

ACCREDITATION: Washington University School of Medicine in St. Louis is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

CREDIT: Washington University School of Medicine in St. Louis designates this live activity for a maximum of 13 AMA PRA Category 1 Credit(s)™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

NURSING CREDIT: 13 Contact Hours available. Washington University School of Medicine in St. Louis is an approved provider of continuing nursing education by the Midwest Multistate Division, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation.

This activity is supported in part by educational grants from various commercial organizations. A complete list of commercial supporters and contributors will be available at the time of the conference. Some companies may also exhibit.
